I can explain all that to him . . . I just wanted you to see it. When we get comfortable with a number and e mail saying you are taking it to management should be fine for his purposes.

Kevin -

Got your voice mail, here's my email address. Also, did you want to talk about Kerry's email? As I'm sure you know, I can't make a formal settlement offer without DOJ being involved. However, my intent is to get EPA management to approve out agreement in principal on the past costs and put that number in EPA's referral to DOJ. Hopefully this will prevent the DOJ attorney from wanting to do a new allocation and I'm fairly confident it will.

Look forward to talking to you soon.

Rick

FW: Past Response Costs

For you information. This came after the call.

Kevin:

I will need something from EPA regarding their plan to reduce the \$562K by 1/3 then have UPCM and ARCO each pay 1/2 of the remaining. I can then send this through with my memo and your memo explaining why this is a good deal. We can then pay it and be done with it.

Thanks

Kerry
